**Timekeepers statement (\*\*swim/\*\*bike times):**

Dear Competitor

We would like apologise to those SPRINT competitors where onerous SWIM times have occurred as a result of a computer malfunction at the SWIM OUT timing point.

This failure occurred during the sprint event which has impacted several SWIM/BIKE times however, all RUN and OVERALL times/positions are unaffected by this glitch.

The women's Try a Tri event was not affected by this problem.
